**DYING DECLARATION**

The why of my suicide  
You'll never dig at, I know  
Since you've evermore responded like  
A stone God against my miseries.

How to live in lifelap  
When pain pounds peace?  
With an avalanche of abuses  
A sleet of smarting scoffs  
You littered the alley of  
My pinchpunch privations.

Your selfsubsuming apathy  
Redounded an impassable cleavage  
To a man who  
Swung you in affections.

Well , I abscond with my  
Selfspun everlasting imperturbability  
For your sprouting as  
The cotyledon of love  
On my grave no matter.
